COSMOS C700P

MCC-C700P-MG5N-S00

Iconic Exterior, Infinite Interior

COSMOS cases made their name because of the unique and bold exterior, the premium materials and the ample space to build "a dream machine". COSMOS C700P carries the classic design elements of the COSMOS line (aluminum handlebars) and combines them with more innovative technology than any other case to date, originating from the MasterConcept 2.0. Everything about this case is subtle and refined. There are recessed RGB lines carved into the top and bottom accent of the aluminum and glass which make the case look out of this world, without overpowering the look. The left side panel is cut and curved from two single panes of thick tempered glass, something only the COSMOS offers when looking at all the cases on the market.

Inside, elements from our MasterConcept debut in the form of a completely removable motherboard tray; The tray can be flipped or even positioned on the opposite panel. With this flexibility you can completely change the internal layout and air flow of the case. Removing it before you start building, gives you the space to install the majority of your hardware in a clean, open, flat surface before putting it back in.

Features

Highly Flexible Layout – Unique frame design enables regular, chimney effect and inverse layout. Motherboard tray is removable for installation outside of the case.

Modular design – Next generation frame design allows for complete disassembly. Ideal for CaseModders who would like to give their case a paintjob.

Sleek & solid aluminum handles – The iconic aluminum handles shapes the contemporary design and provides easy-to-carry function.

RGB lighting control & sync up – A front I/O button to switch lighting modes and even sync up with motherboard to the embedded top, bottom and front I/O RGB bulbs.

Dual-curved Tempered Glass Side Panel – A panoramic tempered glass side panel with two curved edges to offer a wide view inside your PC.

Covers for clean build – PSU, storage and cable management covers for ease of cable management with clean builds as a result.

Diverse liquid cooling installation – The COSMOS C700P accommodates up to 360mm radiator on the top and 420mm radiator in the front.

Specifications & Packing Information

Product Number		MCC-C700P-MG5N-S00	
Product Name		COSMOS C700P	
Available Color		Gun Metal / Black	
Materials		Outlook: Aluminum, Steel, Plastic Body: Steel Side panel: Tempered Glass, Steel	
Dimensions (LxWxH)		639 x 306 x 651mm	
Motherboard Support		Mini-ITX, Micro-ATX, ATX, E-ATX (support up to 12" x 11")	
Expansion Slots		8	
Drive Bays	5.25"	1	
	2.5"/3.5" combo	2	
	2.5" SSD	2	
I/O Port		USB 3.1 Gen 2 Type C x 1, USB 3.0 x 4, Fan Speed & RGB control buttons, Audio In & Out (supports HD Audio)	
Pre-installed Fans	Front	140mm x 2, 1200RPM	
	Rear	140mm x 1, 1200RPM	
Fan Support	Top	120/140mm fan x 3	
	Bottom*	120/140mm fan x 2	
	Front	120/140mm fan x 3	
	Rear	120/140mm fan x 1	
Liquid Cooling Support	Top	120mm, 140mm, 240mm, 280mm, 360mm (requires removal of ODD cage)	
	Bottom*	120mm, 140mm, 240mm	
	Front	120mm, 140mm 240mm, 280mm, 360mm, 420mm (requires removal of ODD cage)	
	Rear	120mm, 140mm	
Clearances	CPU Cooler	198mm	
	GPU	490mm (without 3.5" HDD cage) 320mm (with 3.5" HDD cage)	
Power Supply Support		Bottom Mount, ATX PS2	
Lighting Support		RGB Control Board x 1 (Cycle, Static, M/B modes) to embedded lightings One RGB connection available	
EAN code		4719512063712	
UPC code		884102036392	
Net weight		22.2 kg	
Gross weight		25.4 kg	
Carton dimension (L x W x H)		750 x 411 x 736mm	
Cont.	W/ Pallet	Carton/ Pallet	W/O Pallet
20'	77	7	126
40'	154	7	252
40 HQ	198	9	297
45'	216	9	330

* Required additional cooling bracket
